

Project Finance - Paris

Title:

Project Finance Manager / Analyst

Context:

Founded in 2012 by Pâris Mouratoglou and David Corchia, Total Eren develops, finances, builds and operates renewable energy power plants (solar, wind, hydro) representing a gross capacity of more than 2,300 MW in operation or under construction worldwide. Through partnerships with local developers, Total Eren is currently developing numerous energy projects in countries and regions where renewable energy represents an economically viable response to growing energy demand such as in Eastern Europe, Central Asia, Asia Pacific, Latin America and Africa. On April 5th, 2019, Total Eren integrated NovEnergia into the Group thus extending its presence notably into Southern Europe. The objective is to achieve a global net installed capacity of more than 3 GW by 2022 on top of the NovEnergia Power Plants. Since December 2017, Total S.A., the major energy company, has been participating as a shareholder of Total Eren. For more information, please visit www.total-eren.com
