

COMMUNICATION MANAGER

About Total Eren	About Total Eren in Brazil
<ul style="list-style-type: none"> ✦ Total Eren is a French-based Independent Power Producer (IPP) dedicated to renewable energy generation, mainly from wind and solar sources. ✦ Total Eren was created in 2012 by Pâris Mouratoglou and David Corchia, respectively Founder and ex-CEO of EDF EN. Total Eren is a subsidiary of EREN Groupe, a group dedicated to natural resource efficiency. ✦ Thanks to its unique track-record in developing new projects and new geographies, Total Eren today owns over 2,400 MW of renewable energy assets in operation or under construction worldwide, as well as over 2,000 MW of assets under development. ✦ Total Eren has renewable energy assets spread over Europe, Central Asia, Asia Pacific, Latin America and Africa. ✦ For more information: www.total-eren.com 	<ul style="list-style-type: none"> ✦ Eren do Brasil is the local subsidiary of Total Eren, focusing on the development, construction and operation of solar and wind energy projects. ✦ In Brazil, the company's portfolio includes 300 MWp of renewable assets: 50 MWp PV plants already in operation (state of Bahia), a 90 MWp PV plant under construction (state of São Paulo) and 160 MW wind farms under development (state of Rio Grande do Norte). ✦ The company is constantly looking for new business opportunities in the renewable market in Brazil.

Job Description

You will report in conjunction to the CEO Brazil and the communication department in Paris. The main activities to be carried out are:

- ✦ Report Brazil's pipeline to Paris (France) headquarters. Define the communication strategy and the social impact we aim at reaching;
- ✦ Build content (videos, press release, events, specific interviews, specialized articles), covering both the company's core activities and social compensation measures;
- ✦ Build relationships with main media (general/sectorial/local);
- ✦ Propose content for Total Eren's own channels (website, LinkedIn, YouTube);
- ✦ Benchmark the sector's communication practices and monitor their communications. Prepare newsletters on the sector for internal communication;
- ✦ Meet and develop the relationships with local stakeholders, ensuring the company is welcomed by the communities surrounding the project area;
- ✦ Be responsible for Total Eren's participation's in the events of the sector, by targeting key events and preparing materials to be used;
- ✦ Help promote and organize events hosted by Total Eren, especially inaugurations;
- ✦ Help Total Eren reach potential hires out in the job market, including:
 - Start relationships with universities to support our intern/recent graduate recruitment process (organize participation on job fairs and on-campus recruiting);
 - Reach out to experienced hires in LinkedIn;
- ✦ Help on institutional communication and regulatory topics;

Requirements

- ✦ Minimum of 2 years' experience in a similar role;
- ✦ Strong interpersonal, organizational, writing, layout and design skills;

- ✦ Ability to work both in autonomy and with the other areas of the team;
- ✦ Languages: fluent in Portuguese and English; French would be a plus
- ✦ Based in São Paulo. Occasional travels to follow the local activities and organize events may be necessary.

Contact

Please send your CV in Portuguese or in English by e-mail to recruiting-br@total-eren.com, with your availability for an interview and for the start date. Make sure to write the name of the position(s) you are applying to in the body of the email.
