

INTERNSHIP – PROJECT FINANCE

About Total Eren

- ✦ Total Eren is a French-based Independent Power Producer (IPP) dedicated to renewable energy generation, mainly from wind and solar sources.
- ✦ Total Eren was created in 2012 by Pâris Mouratoglou and David Corchia, respectively Founder and ex-CEO of EDF EN. Total Eren is a subsidiary of EREN Groupe, a group dedicated to natural resource efficiency.
- ✦ Thanks to its unique track-record in developing new projects and new geographies, Total Eren today owns over 2,400 MW of renewable energy assets in operation or under construction worldwide, as well as over 2,000 MW of assets under development.
- ✦ Total Eren has renewable energy assets spread over Europe, Central Asia, Asia Pacific, Latin America and Africa.
